

VELOCITY BATCH **NEET 2028**

A comprehensive 2-year rigorous program designed to crack NEET with top ranks. Exclusively for Class 11 Students.

OFFLINE ADMISSIONS OPEN: 2026-27 SESSION

ACCELERATE YOUR MEDICAL CAREER

Bridge the gap between school curriculum and competitive excellence with Etawah's premier coaching for NEET.

PROGRAM PHILOSOPHY

The Transition Bridge

Moving from Class 10 to NEET preparation requires a massive shift in depth and strategy. Velocity Batch is engineered to facilitate this transition seamlessly, building conceptual speed and accuracy from day one.

Strategic Foundation

Focusing on long-term retention rather than rote learning. We cultivate a medical temperament, teaching students to think like doctors and solve problems with surgical precision.

UNMATCHED PERSONAL ATTENTION

40

LIMITED STUDENTS

The Power of Small Batches

Unlike massive institutes, KTS Academy limits every Velocity Batch to **strictly 40 students**. This ensures zero compromise on individual attention, enabling our faculty to track every student's daily progress and mental well-being.

EXPERT MENTORSHIP

- ✓ **AIIMS & Top Medical Alums:** Learn from the best who have walked the path you are on.
- ✓ **8+ Years Excellence:** Seasoned faculty members with a proven track record of producing top medical ranks.
- ✓ **Personalized Mentoring:** Dedicated mentors assigned to help students navigate stress and academic hurdles.

THE KTS ADVANTAGE

Daily Doubt Counters

Never take a doubt home.

Dedicated faculty desks available daily from 3:30 PM to 7:30 PM for instant resolution.

Premium Material

Exhaustive theory modules, structured question banks, and daily practice problems (DPPs) curated for NCERT mastery.

Weekly Mock Exams

Simulate the NEET environment every week with full-pattern tests to build stamina and eliminate exam-day anxiety.

BATCH DETAILS & LOGISTICS

ACADEMIC RIGOR & TESTING

- ✓ **NCERT Mastery:** 100% alignment with the latest NEET syllabus with deep dives into Biology and Chemistry.
- ✓ **Error Analysis:** Post-test sessions to analyze mistakes and create customized improvement plans.
- ✓ **High-Yield Questions:** Focus on patterns that frequently appear in national medical entrances.
- ✓ **Smart Revision:** Periodic recall sessions to ensure 11th-grade concepts are sharp during the 12th.

SYLLABUS ALLOCATION

- Biology - Botany & Zoology (50%)
- Physics - Concept Mastery (25%)
- Chemistry - Org/Inorg/Phy (25%)

Balanced weightage ensures a strong overall percentile, focusing on high-scoring areas in Biology and critical conceptual Physics.
